

5th Grade News

Mrs. Frans' Class

October 7th-October 11th

A Peek at Our Week

Math- We are continuing to learn about fractions, simplifying, addition, and subtraction

Reading- We will begin Rifka novel groups as a grade level.

Writing- We will continue our unit on autobiography narrative. We will also focus on planning, revising, and editing.

Social Studies- Our class will learn about the Harlem Renaissance (to prepare for the 10/15 field trip), and then begin the Industrialization and Immigration unit.

Science- We will be studying the six different ways of separating mixtures and solutions.

Word Study- Latin root: Sci "Know"

sci

Latin - "know"

conscience
conscientious
conscious
nescient
omniscient
prescience
science
scientific
scientist

Reminders:
