

5th Grade News

Mrs. Frans' Class

September 2nd-6th

A Peek at Our Week

Math- We are studying place value, using exponents to show powers of 10, and multiplying multi-digit whole numbers.

Reading- This week we are analyzing characters, events, settings, and how these impact the plot of a story.

Writing- We will continue working on recognizing fragments and run-ons.

Social Studies- Our class will continue with Reconstruction, and work on an amendment project in class.

Science- Our class will learn about the scientific method and construct testable questions.

Word Study-
Greek root: **Hydr**

Word Study

Hydr = "water"

- dehydrate
- Hydranged
- Hydrant
- Hydrate
- Hydraulics
